There is an ever-shrinking workforce of state employee managers who have borne the brunt of the state's fiscal challenges over the past few years.

We have become an easy target.

With no active voice at the capitol, the legislature feels that we are an easy target.

Sporadic raises coupled with health insurance increases have left most of us earning less now than we did a few years ago.

We have taken significant financial hits throughout the years.

Together, we can turn this around.

It is time to organize ourselves and rebuild M+E.

As a new affiliate of AFT Connecticut, a powerful state-wide organization, we now have more support and a real opportunity to make M+E a force for change.

But, your active membership in M+E is the key.

YES! I want to join with my colleagues and become a member of AFT Connecticut. I agree to abide by its Constitution and Bylaws and I will stand with AFT Connecticut as we fight for a voice in our workplace as managers in state service.

I hereby authorize you, the state of Connecticut, to deduct from my paycheck such amounts as may from time to time be authorized by AFT Connecticut membership dues. The amount so deducted is to be forwarded to AFT Connecticut for my credit. I have been informed that I may cancel this authorization upon 30 days written notice to AFT Connecticut.
